Parent Questionnaire – November 2018 Results

Thank you to everyone who completed our recent questionnaire. 57 out of 157 families gave us their views and these are shown below as a percentage of the families who responded.

We hugely value your opinions and are delighted with your very positive comments about our school.

As always, there are things we could do better; these are outlined below. We will be working on these issues in the new year and we will keep you informed.
